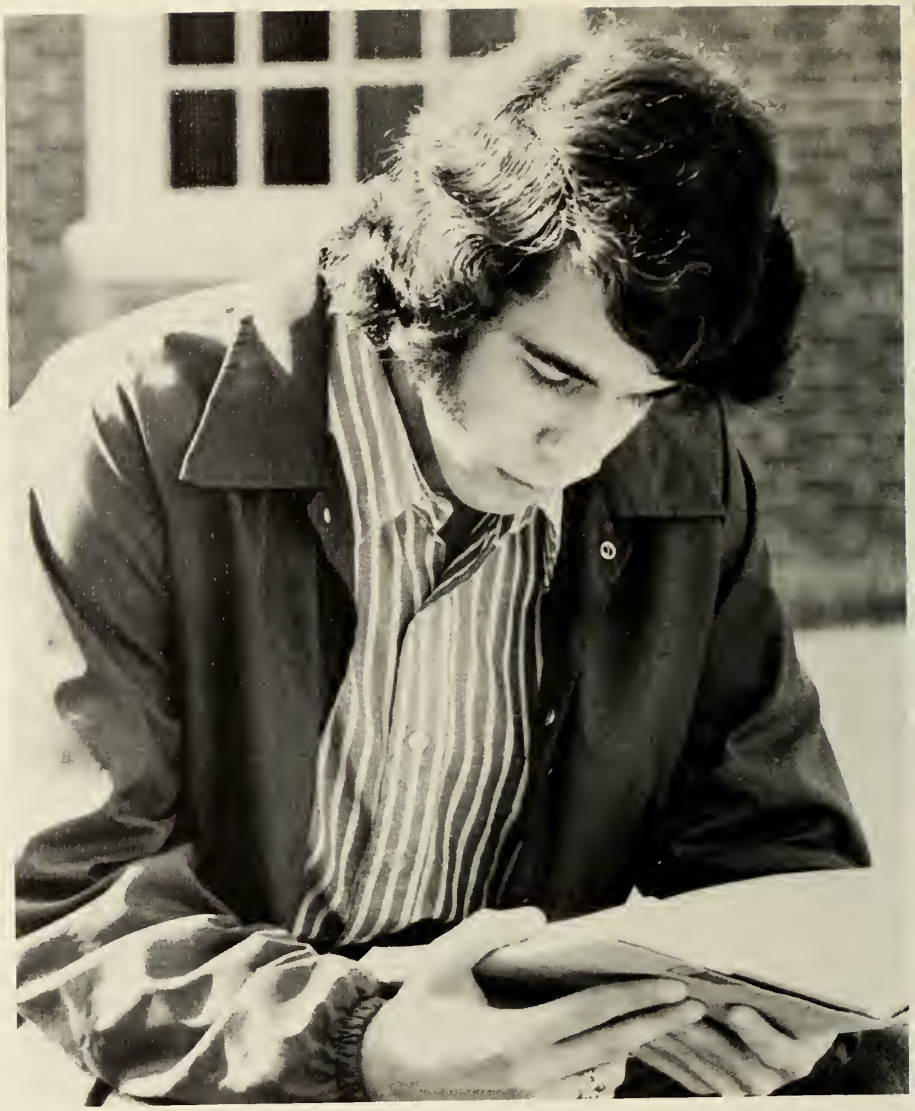
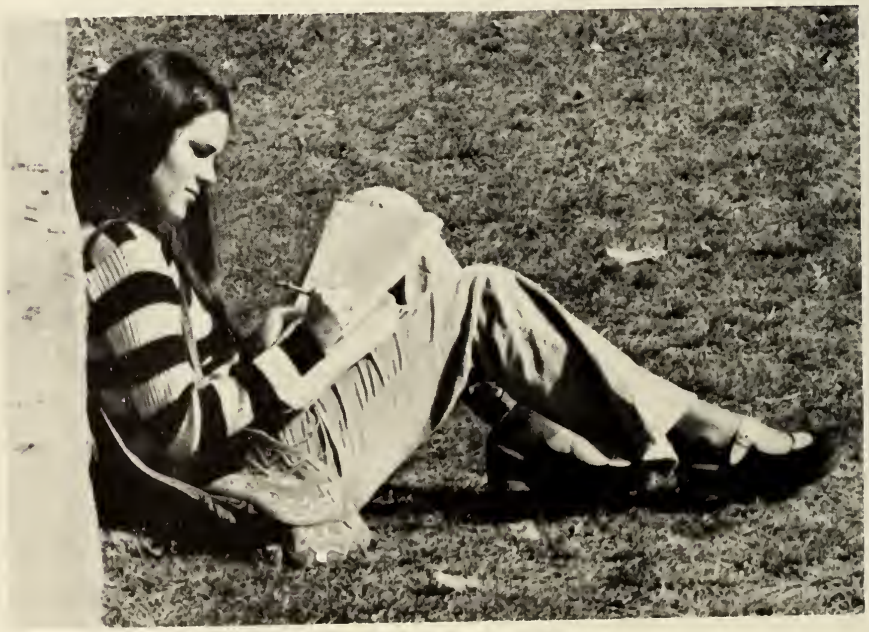
Through The Looking Glass

We ponder the days past . . .
We see our images in the mirror . . .
Our dreams dwell there.

We have created many dreams . . .
We have destroyed a few, too . . .
Some are now on the verge of realization . . .
Others have faded and withered.





We had our problems . . .
The reflection in the mirror dimmed.

We didn't ignore the realities of the existence we had here.

Life was freer . . .
And occasionally a good time was had by all.
We lay out in the sun . . .
Sleeping off our lunches . . .
Talked with friends, new and old . . .
And when it rained, we hid from the elements in the cafeteria.
There were always a few die-hards braving the weather . . .
grabbing a smoke out by the bleachers.
Though we had our trials . . .
We also had our smiles.

DEDICATION

MR. ORLANDO SCAFATI

Mr. Orlando Scafati retired this year after twenty-two years of service in the Norwood School System. When "Coach" Scafati arrived in 1946 to coach three of the varsity teams for boys, the athletic curriculum was very limited. There were only five varsity sports for boys, and two for girls. Mr. Scafati, as athletic director, enlarged the program in his quest for good sportsmanship among Norwood High students. Thanks to Mr. Scafati, boys can now participate in fourteen varsity sports, while the girls' program has increased to six. The Tiot staff and the Class of 1973 take great pleasure in dedicating this year's edition of the Tiot to Mr. Andy Scafati.

There's a school on the hill called Norwood,
And her sons and daughters too,
Are all the true supporters
Of her glorious flag of blue,
And when'er her sons are fighting,
And would rather die than yield,
You can hear the school that backs them up
Go singing down the field.
Oh Norwood, dear Norwood, we sing to you,
We will be loyal to your flag of blue,
And Norwood, dear Norwood, as years go by,
Here is a cheer Rah! Rah!
Here is a cheer Rah! Rah!
Cheer for Norwood High.

OUR FINAL YEAR
CLASS HISTORY

Once again early in September we returned to the "Hill," but this time we felt somehow different. This, our senior year, was the last time the class of '73 would return to NHS.

We prepared well in advance for this year's success by electing in June of our junior year capable class officers: President, Richard Kennedy; Vice President, Daryl Denison; Treasurers, Lauren Power and Jim Nolan; Secretary, Nancy Kelley; and A. A. Representatives, Ellen Lovell and Mike Caron. These class leaders, assisted by our able Student Council President, Dave Ahearn, conducted many successful events, including a delightful semi-formal at the beautiful Blue Hills Country Club. The fun-filled Senior Auction was enjoyed by all who participated. And who was that lucky junior girl who bought as her slave our foreign exchange student, Lueder Bauschulte?

The many varied talents of Pam Rodgers were displayed in the hilarious "Up the Down Staircase," our Senior Play. Duke Manfro, Debbie Ceglia and John Blanchard, were also featured. The cast was ably directed by Mrs. Buscone and was enjoyed by all who saw it.

Our athletic teams were winners — well, that is, more or less! Stimulated by a rugged practice schedule our football team, under the direction of Coach Doherty, jumped into its tough schedule. Unfortunately, it wasn't a winning season, but the thrilling tie 16 to 16 with rival Walpole and the triumph over Dedham on Thanksgiving Day were high spots for all of us. Our praises to captains Mike Roberts and Keith Rogers and all the senior members of the squad for a job well done.

We were extremely fortunate during the winter season when three Norwood teams were fighting for championships in the Bay State League. Our youthful basketball squad, captained by Brian Brown and Mark Hersey, fought down to the wire and barely missed qualifying for the State Tourney.

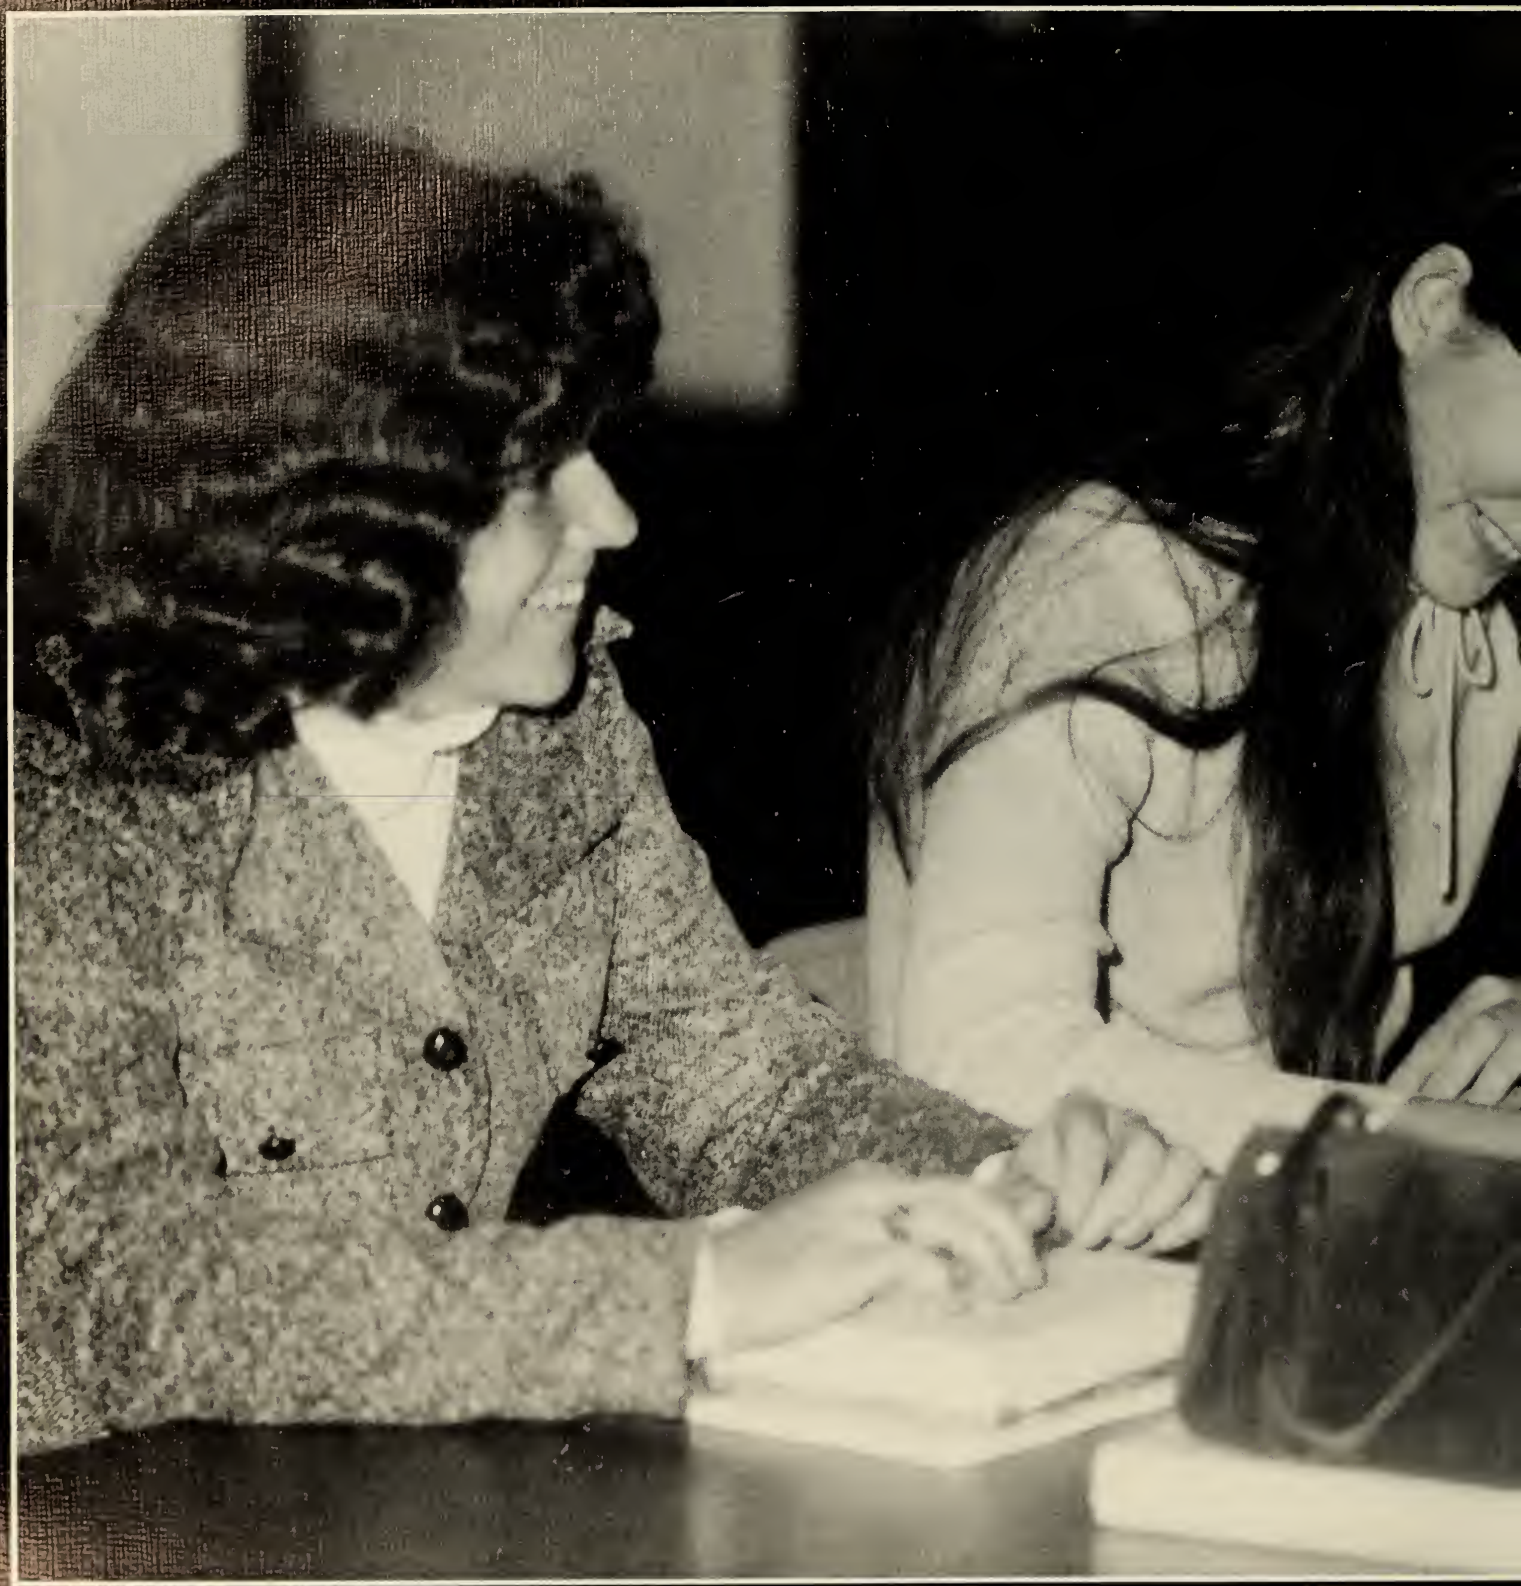
Having graduated most of our State Championship team of 1972, the hockey team's future was a big question mark. After a faltering start, the team began to work together and a fantastic effort rewarded this real "team" with second place in our competitive league and a qualifying berth in the State Tourney. The captains, Kevin Hurley, Mark Balerna, and Paul O'Day, led this determined team.

Not to be outdone, the wrestling team, captained by Frank Civatoni, took second place in both the Bay State League and the Regional Tournament.

Few will ever forget May 18th, the night of the long awaited Senior Prom. The Chateau de Ville was the setting for our biggest social event of the year.

Perhaps a wonderful omen for us, the class of 1973, was that peace was finally acquired when this year was still brand new. We shall be the first class in eight years to graduate into a peaceful world. We have made some happy history here at Norwood High. May our class members continue to be happy and keep this peace.

Patricia Phalen, Class Historian.



STUDENT LIFE

JUNIORS

SOPHOMORES

For the sophomores September of 1972 marked the beginning of an exciting year at Norwood High.

To start off the year we held our class elections. The results were: Larry Brown, President; Steve Savage, Vice-President; Carolyn Saad, Secretary; Kathy McQuire, Girls' Treasurer; Paul Eysie, Boys' Treasurer; Paula Spierdowis, Girls' A. A. Representative and Tommy Aligieri, Boys' A. A. Representative.

As far as sports are concerned, we had a very good year. The football season, under the direction of Mr. Whitty and Mr. Carroll was memorable. The captains of the football team were Daryl Stampfl and Billy Breene. The basketball team, under Mr. Immonen, also did very well with the help of captain, Terry Johnson. Sophomores Billy Flaherty and Dennis King had an outstanding year for the varsity hockey team.

The first year at Norwood High for the class of '75 was both enjoyable and rewarding.

JUNIORS

Paul Glynn, Lynn Schiano, Bill Doucette, Joan Harwood, Mike Collins, Danny Donovan.

The class of 1974 entered Norwood High in September to accept our new role as juniors. The election of class officers had been carried out in the spring of our Sophomore year. As a result, Secretary, Mary Anello; Boys' Treasurer, Bill Doucette; and Girls' A. A. Lynn Schiano were re-elected. In addition, newly elected officers were chosen, among them, Danny Donovan, President; Mike Collins, Vice President; Joan Harwood, Girls' Treasurer; and Paul Glynn, Boys' A. A.

Our class was well represented by both boys and girls who participated in varsity and junior varsity sports. The varsity teams were faithfully cheered by veteran cheerleaders Jean Carchedi and Lynn Schiano, and by newcomers Betty Russell and Ellen McTernan. In addition, a J. V. cheering squad was formed by members of the sophomore and junior classes under the leadership of Captain Nancy Brown.

On October 25th our class sponsored a rock concert, which was open to the entire student body. This concert provided us with the necessary funds for the highpoint of our junior year, the prom.

On March 30th at the Blue Hills Country Club, our Junior Prom was held. Due to the generous efforts of our friend and advisor, Mr. Usevich, it proved to be a memorable occasion for all who attended.

In all, our Junior year at Norwood High School proved to be as exciting as we had hoped it would be. Though we are sorry to see it come to an end, we eagerly anticipate our senior year at the "school on the hill".

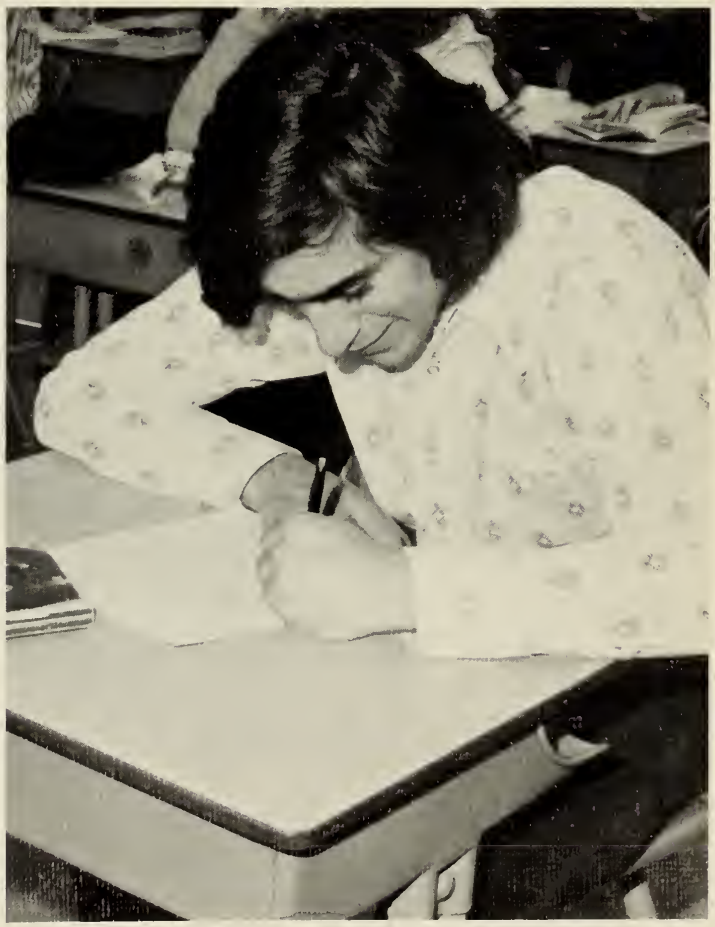
LANGUAGE DEPARTMENT

Parlez-vous Francais? Oui, certainement — and Spanish, German, and Latin. The students of Norwood High have a variety of courses from which to select. With the use of the audio-visual aids and the language labs, instruction in these courses is very stimulating.

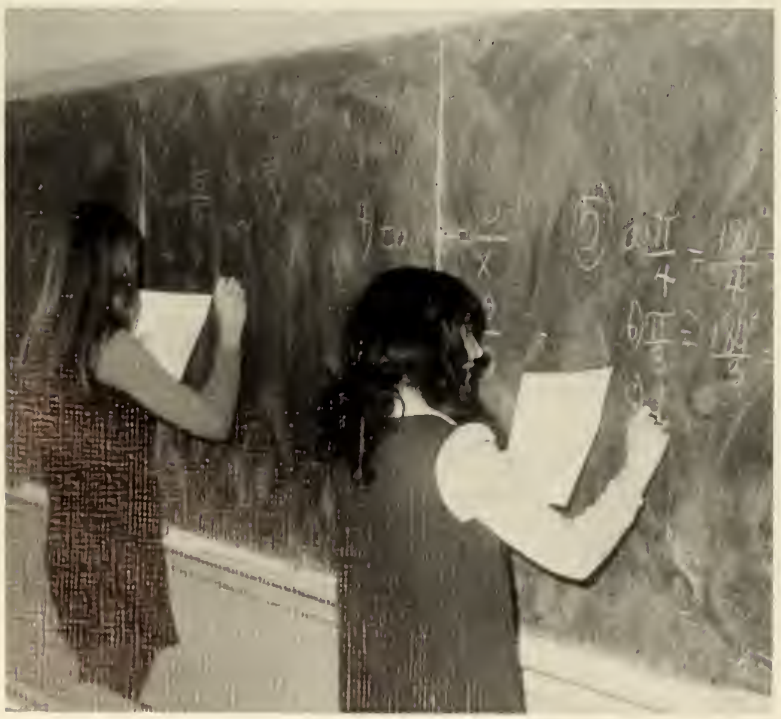
ENGLISH DEPARTMENT

The English Department has continued the elective program which was introduced a few years ago. Course selections offer a student much to choose from. The diversity of courses each term is also a welcome change to many.



MATH DEPARTMENT

Have you ever used a computer? At N.H.S. every student taking mathematics has the opportunity to present to the computer a program which he has written himself. Within minutes a correct solution to the problem is received. The students in every course from Geometry to Calculus are able to spend time using the computer during the course of the year. In addition, the Math Department is constantly changing its presentation of subject matter to make for a more interesting study.

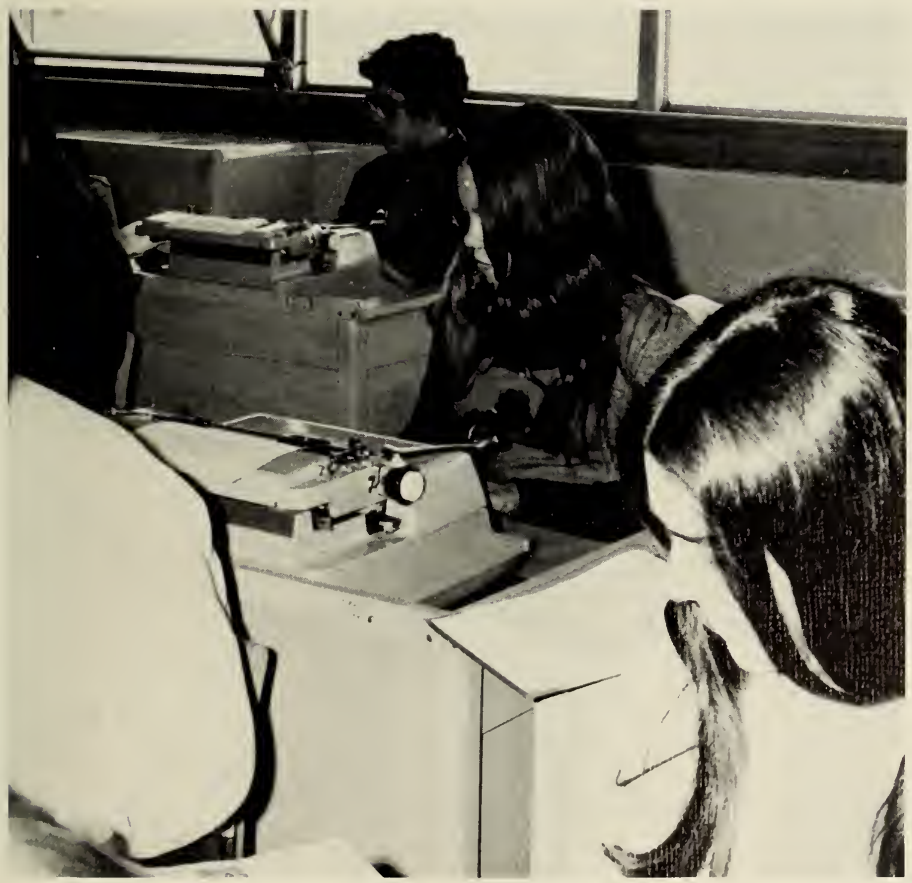


SCIENCE DEPARTMENT

The Science Department offers many intriguing courses to all interested students. Such advance placement courses as AP/Biology and XAP Chemistry are available. Most students seem to enjoy the classes and experiments conducted by the department. The staff includes many learned instructors. Science courses at N.H.S. are quite interesting.

HISTORY DEPARTMENT

The N.H.S. History Department offers a wide selection of courses from which to choose. This year African and South American studies were added to the curriculum, which previously consisted of Western Civilization, U.S. History, Russian History and Asian Studies. The students of N.H.S. are given the opportunity to receive a vast understanding of the world around them.

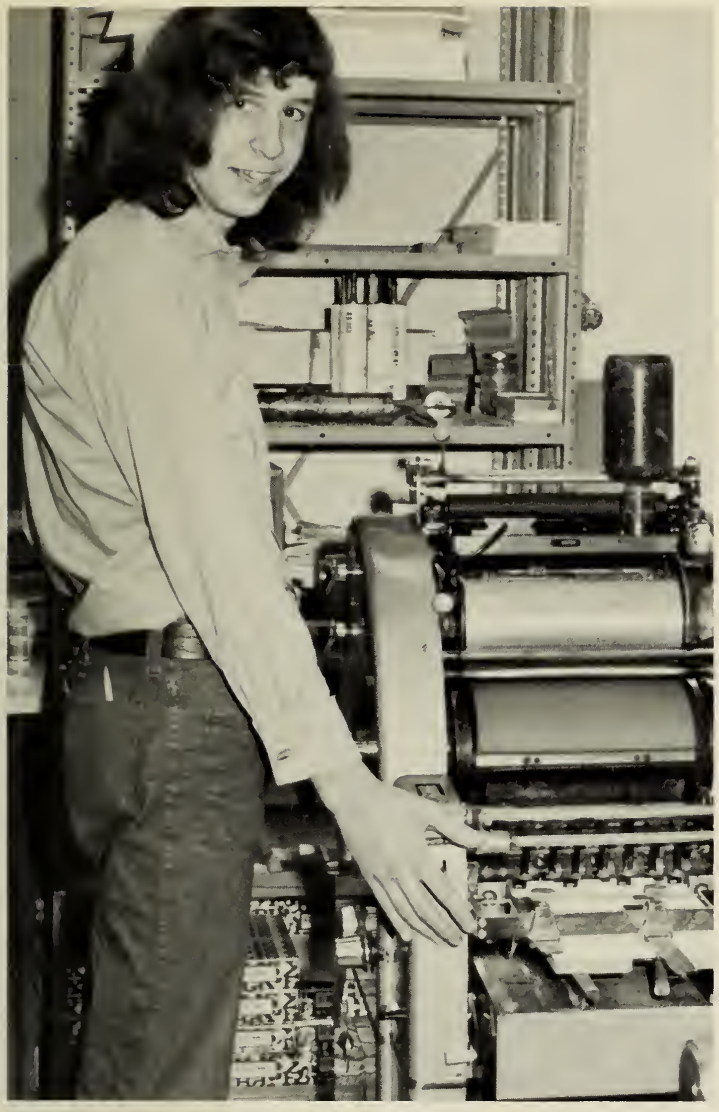


BUSINESS DEPARTMENT

The N.H.S. Business Department prepares its students to take their places in the world of business. The department also offers courses for those students interested in furthering their education at business colleges and helps the college preparatory student with personal typing. A variety of courses are offered, including: bookkeeping, business law, shorthand, typing, and office machines.

PHYSICAL EDUCATION

Two or three times a week high school students are obligated to attend gym classes. There is something for everyone from slimnastics to street hockey. And when two gym classes play against each other, watch out!



INDUSTRIAL ARTS

How about a lamp or table? Or do you need a program printed? Talented students create useful items in this part of the school. Classes offered in the Industrial Arts category include Mechanical Drawing, Printing, Wood and Metal shops.

HOME ECONOMICS

Walking down the bottom floor corridor, one can detect delicious aromas in the air. They are the result of culinary masterpieces concocted by our Home Economics classes. We also have excellent sewing classes, which develop fashions envied by Paris.

ART

If working with clay is a hobby of yours, the art department has a lot that would interest you. Art students are kept busy creating projects, some of which include silk-screening and art technique. Courses such as art design, art history, and art major are also offered to students interested in art.

MUSIC

The benefits of music education are realized here at Norwood High. Our department of music extends from band and chorus to theory classes. Students who have participated in music find it very rewarding.

ENGLISH 400

Under the direction of Mr. Peterson, English 400 has completed another successful year. The study of Utopian Societies in Literature and the Distopias by Orwell and Huxley provide a striking contrast between good and evil in a perfect society. The discussions following the study of each book were in depth and quite stimulating.

The members this year were: Wendee Wolfson, Pam Rodgers, Gayle Soper, Tina Solomon, Bob Fox, Steve Cain, George O'Connor, Tim Harrigan, Peggy Walsh, Kris Varenais, Patty Phalen, Jayne Hartnett, Charlie Lockwood, Joan Favaloro, Diane Burdon, Jeri Bartlett, Barbara Riordan, Anne Luccini, Hilary Sallet and Nancy Kelley.

SILHOUETTE HAS THIRD SUCCESSFUL YEAR

Norwood High School's literary magazine, the "Silhouette," produced some interesting issues this year. Under the supervision of Mr. Paul Wilgoren, faculty advisor, and Sue Sprague, editor-in-chief, the members combined poems, short stories, and sketches into memorable editions. With such a talented staff, Norwood High students can look forward to many more years of literary entertainment.

AFS STUDENTS

WHAT CAN I TELL YOU? I like America! I like Boston! I like Norwood and its people, and I like Norwood High School as far as a scholar may say so. I feel really at home here. You might ask what is different from where I came. I could name thousands of things; but, in the end, I would summarize people and life as basically the same. I hate to compare where I came from with where I am now, because my values are no measurement. I have seen many places: Boston, Washington D.C., Hartford, Salem, Newport, Plymouth and others. I have learned a lot: opinions about Vietnam, Europe, Germany, and current affairs. I lived an American life. All this and more I will take home, and it probably will last until I come back; and I will, you can be sure of that.

Lüeder Bauschulte

MY MALAYSIA

Although I knew Malaysia to be quite small, suddenly it was a whole new world opening up for me to see. I knew it would be one of the greatest experiences of my life.

I'll never forget finding out that my host family did not speak English; and due to the rural area, it was doubtful that anyone would. I had to learn Malay very quickly.

I'll always remember: my first bowl of Malayan rice with curry fish; the large amounts of fresh fruit juice; shopping in the open market, bargaining with the merchants; or being stared at for my unusual and rare facial coloring.

My overwhelming anticipation throughout an eighty-four mile taxi ride to my host family, standing with suitcases in hand rehearsing over and over again Sclarat Pagi. (Good Morning)

However, the old line still holds true, "There's no place like home!" I even looked forward to Norwood High reopening after attending uniformly regimented school life in Malaysia.

STUDENT COUNCIL 1972-1973

This year was a new one for the Student Council. Members were voted at-large from each class, rather than representing individual homerooms as in previous years.

Mr. Usevich continued his fine leadership as advisor with a new system of open meetings being initiated. Each meeting was rotated to a different period during the year, allowing interested students to participate in student government. The problems faced by our Council were many, including the unpopular corridor situation and the continued problem of student parking. Ted Curtin and Hilary Sallet, our representatives on the School Committee, did an outstanding job of voicing the student viewpoint.

The Student Council again held the Senior Auction in the boys' gym, annually one of the most successful functions held at Norwood High. All those who attended had a great evening and day of fun.

The Council ended its fine year under the leadership of President, Dave Ahearn; Vice President, Dale Eckholm; Treasurer, Trisha Herlihy; and Secretary, Carol Ann Deneno.

Again this year, under the direction of Mr. Paul Alberta, director of music; and Mr. William St. Laurent, choral conductor, Norwood High School's music department continued to be active. The concert band and chorus performed an enjoyable Christmas concert, and the band, after a three week summer tour of Europe, has almost doubled in size. This year for the first time, the Madrigal Singers accompanied the band on an exchange concert to Hamilton, Ontario, Canada. For the first time also, Norwood High had a representative to the All Eastern Chorus. Pamela Rodgers was selected to the chorus, which is comprised of high school vocalists from the East coast.

This year held a lot of firsts for the music department here. As in the past, the various music ensembles remained active in performing for the community and will continue to do so in the future. Music is one of the universal languages and forces which have brought many people together. This is one of its major functions at Norwood High.

TIOT

The staff of the 1973 Tiot hopes this book will give readers different views on life at Norwood High. We tried to show our school "through the looking glass."

The staff would like to thank Purdy Studios of Boston for our pictures, and Mr. Bill Rowan of Taylor Publishing of Dallas, who helped us put it all together. We would especially like to thank Mr. Fader, our financial advisor, and Mrs. Ingraham, who helped us make the book the masterpiece that it is.

FOOTBALL

The football team, led by co-captains Keith Rogers and Mike "Rosebud" Roberts, ran into a few tough teams this year and came out with a disappointing but exciting season. The team had big wins over Needham and Dedham and an unexpected tie with Walpole, 16-16. Through hard work and determination Norwood was known as a solid team and was a threat to opponents, though hard luck took its toll.

Twenty-five positions were vacated by graduating seniors, a group who will be difficult to replace in ability and spirit. The remaining members are likely to carry the team through a good season in '72. The departing seniors extend their wishes for a good future.

GIRLS' SWIM TEAM HAS WINNING SEASON

Under the capable direction of Coach Carver and Assistant Coach Larsen, the 1972 girls' swimming team ended their fine season with a respectable 8-3 record.

The top all-around performers for the team were MVP Cindy "Fred" Stewart, MVP Jan McMillen and sophomore Margo Boch.

One of the key factors in the Mermaids' success was their ability to fire-up the team, which led to many exciting meets. The well-known bus crew was led by the exuberant co-captain Trisha Herlihy and the spirited sophomores. There will be a great gap to fill when the seniors sprint on to better places. Good luck to the seniors who are leaving.

The team wishes to say good luck to a most admired and respected man, their coach, Mr. Allan Carver.

WRESTLING

The 1972-73 wrestling season was the year of the senior. Nine places on the varsity were taken by seniors, who led the team to a 14-1 record and a second place finish in the Bay State League, the only loss being to champion Dedham.

The seniors were led by Captain Frank Ciavattone, who went undefeated through the season and veterans, Rick Campbell, Rick Rahn, and Paul Lazzaro. Mike McCarthy, Pat McDonough, and Jack Ferrari stepped up from the J.V.'s, but the amazing story was the first year heroics of Gary Lee and Keith Rogers. Both boys came up with many clutch performances in their very first year of competitions. Juniors Chuck Hopkins and Carl Puzin showed great promise for next year, along with sensational sophomore Sam David, who was undefeated in his weight class.

The efforts given by these representatives of the class of "73" during this season will remain as an example for future wrestling teams at Norwood High.

BOYS' GYMNASTICS

After the loss of five competing seniors to the college ranks, the 1972-1973 gymnastics team was faced with a disappointing future. This year's squad however, pulled through with a respectable 5-8 record, despite plaguing injuries and illnesses. The team was ably led by seniors Bruce Boyd, Dan Burns, Randy Corwin, Terry Coverstone, and Gary Davis. Coach Allen Carver should be commended for the fine job he has done at Norwood High in the wake of his recent retirement from coaching. The team would like to take this opportunity to thank Mr. Carver for his efforts. Good luck to next year's coach and team.

GIRLS' BASKETBALL

The 1972-73 Girls' Basketball Team may have had a losing season, but they won all their games in spirit, led by their talented coach, Mr. Giles Parker. This was the first season for the Norwood "Jolly Squad" who cheered the Mustang Five at all those close games.

The Mustangs were led by co-captains, Patti Phalen and Cindy Stewart. Top scorers for the season were Cindy Stewart, and junior Kathy Smelstor. An outstanding sophomore, Leslie Rossi, and a veteran senior, Kathy MacDonald, completed the starting line-up. Sophomore Pam Floyd also did a fine job in the rebounding department this season. Completing the roster were "jollies" senior May Croft and juniors, Janet Lanzoni and Sue McSweeney, and the back-up duo, senior Carol Iacono and Joanne Skowronski.

Congratulations to Miss Kathy Burt and her J.V. team who had an 8-1 record. Our thanks to our managers, Diane Mastandrea and Peggy Linehan, who kept things in order. The season ended with a loss to Walpole, but everyone had fun after the game. Thanks underclassmen for the showers.

BASKETBALL

The Norwood High basketball team had a fine season in "72-73." Coach Ken Nolet's hoopsters finished with an 11-7 record, only two games behind the first place club in the Bay State League. Two losses at the end of the season kept the Mustangs out of the State tournament.

Nine seniors were on the "72-73" Mustang squad. Co-captain guards, Mark Hersey and Brian Brown, and all star forward Jack Glynn, all seniors, started every game and played a big part in the Mustang's drive for the title. First player off the bench for Coach Nolet was senior forward, Steve Brennan. Other seniors on the team were Roger MacLeod, Bob DePietro, John White, John Gillis, and Jim Nolan.

Junior Jim Crook and sophomore Tim Collins were starters this past season. Jim Crook, captain of the 73-74 squad, and Tim Collins, sophomore of the year in the BSL, should form a great nucleus for next season's club.

HOCKEY

The 1972-73 Norwood High Hockey Team compiled a 13-2-2 record in the Bay State League which earned them second place. This was a disappointment to both the coaches and the players because Norwood's record during the latter part of the season was a very respectable 11-0-2. Defensive lapses and lack of scoring plagued the Mustangs through the first seven games. However, during the second half, Norwood gained confidence and playing experience. Unexpected performers who played extremely well were seniors Mike Costello, Ed McQuaid, and Nick Patsos; juniors Mike Smith, Manny Collins, and Roger Battles; and sophomores Billy Flaherty and Dennis King. Greg Walker led the team in scoring with 26 points which earned him a spot on the BSL All-Stars with teammates Mike Costello and Bob Lawrie. Performing well for the Mustangs were goaltenders Fred Carbone and Manny Collins; seniors Paul O'Day, Mark Balerna, and Captain Kevin Hurley; and junior Peter Thomas. Some fine hustle was also turned in by juniors Frank Baglione and Danny Bayer who should be stellar performers next year.

STUDENT REPRESENTATIVE ORGANIZATION

All students of the Henry O. Peabody School are members of the Student Representative Organization. Elected officers, homeroom representatives and alternates, and two faculty advisors stimulate the spirit of pride and achievement through their acceptance of student body responsibilities, creative planning of school functions, and mature response to special school needs.

The autumn Harvest Fair was a tremendous success this year as a fund-raising event, as well as a catalyst of school spirit and fellowship. Baked goods, balloons, antiques, boutique items, and clothes galore were welcomed and appreciated by the many community members who enjoyed the sunny day with us.

"Operation Santa Claus" is a Student Representative Organization project where students remember children less fortunate by giving gifts and contributions to the needy and hospitalized. Also during the holidays, full course dinners with the complete festive charm and program were sponsored for Thanksgiving and Christmas.

With the funds earned from the Harvest Fair, the students and faculty enjoyed a wonderful evening of dinner and a performance of "Funny Girl" at the Chateau de Ville. The evening was indeed one to remember and treasure.

The "Awards Program" at the closing of the school year honors those graduating and those winning special awards and scholarships.

Elected officers for the year 1972-1973 were: President, Paul Cullivan; Secretary, Janice Davis; Treasurer, Joanne Olsen.

DECA MEETING

Louise Davitt, Treasurer; Deborah Durling, Vice President and Fund Raising Chairman; James Meau, President; Mrs. Elizabeth K. Matthys, DECA Advisor.

Backs to camera: Lori Bourne, Margaret Bourne, Patricia Albee, Sandra Amos, Secretary.

DECA, Distributive Education Clubs of America, Henry O. Peabody Chapter, meets weekly at the school and is a vital part of the curriculum. DECA develops future leaders for marketing and distribution by concentrating on leadership and social skill development. The club activities encourage free enterprise and economic awareness, civic responsibility through professional conferences, chapter activities, school improvement projects and support of community activities. The club maintains a series of competitive projects and activities which are designed to stimulate and motivate independent study and classroom interest, as well as career encouragement and vocational competence.

Joseph
OF NORWOOD

Beau, she's got a nice personality.

You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people. With all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.

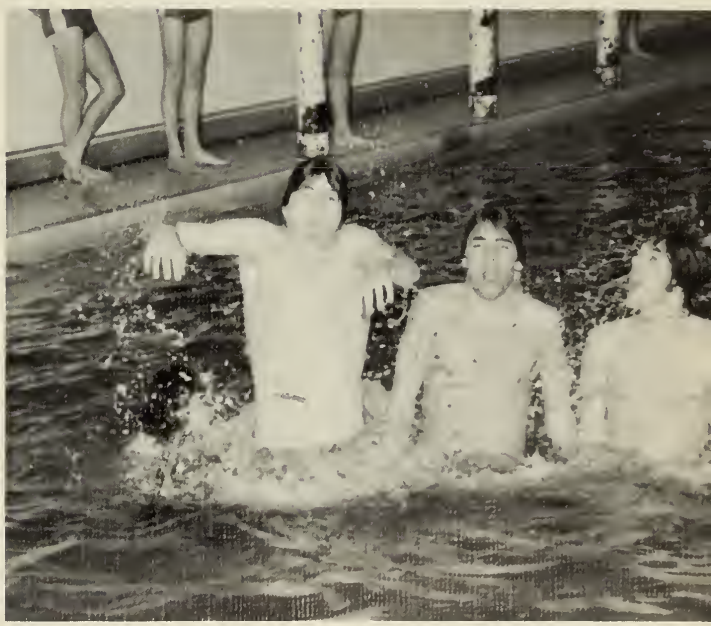
PARTING SHOTS

GIRLS' HOCKEY

Though girls' ice hockey is not a recognized sport at Norwood High, a group of girls got together and decided that it was time to break into the hockey scene. Under the expertise coaching of teachers Mr. Clifford, Mr. Donahue, and Mr. Mollo, the team practiced for long and exhausting hours. Backbreaking pond shoveling and 6:00 A.M. Sunday morning practices are just a few of the sacrifices the dedicated girls made, but their efforts paid off against such renowned teams as the Pembroke Pandas of Brown University and the Massport Jets. Team members were Tri-Captains Anne Clifford, Mary Ellen D'Espinosa, and Janet Polovitch; seniors Chris Anderson, Joan Callahan, Joyce Coccia, Patty Curran, Daryl Denison, Trisha Herlihy, Karen Krohto, Barbara Lightizer, Anne "Zamboni" MacPhee, Annemarie Millin, Rosemary O'Brien, Jody Phalen, Kathie Roche, Sue Sprague, Cindy Stewart, Debbie Tatro and Martha Tully; junior Pam Clifford; sophomores Karen Anderson, Jean D'Espinosa, Sandy Krohto, Mary Lawrie, and Sue Skene and managers Debbie St. Cyr and Danni Brown.

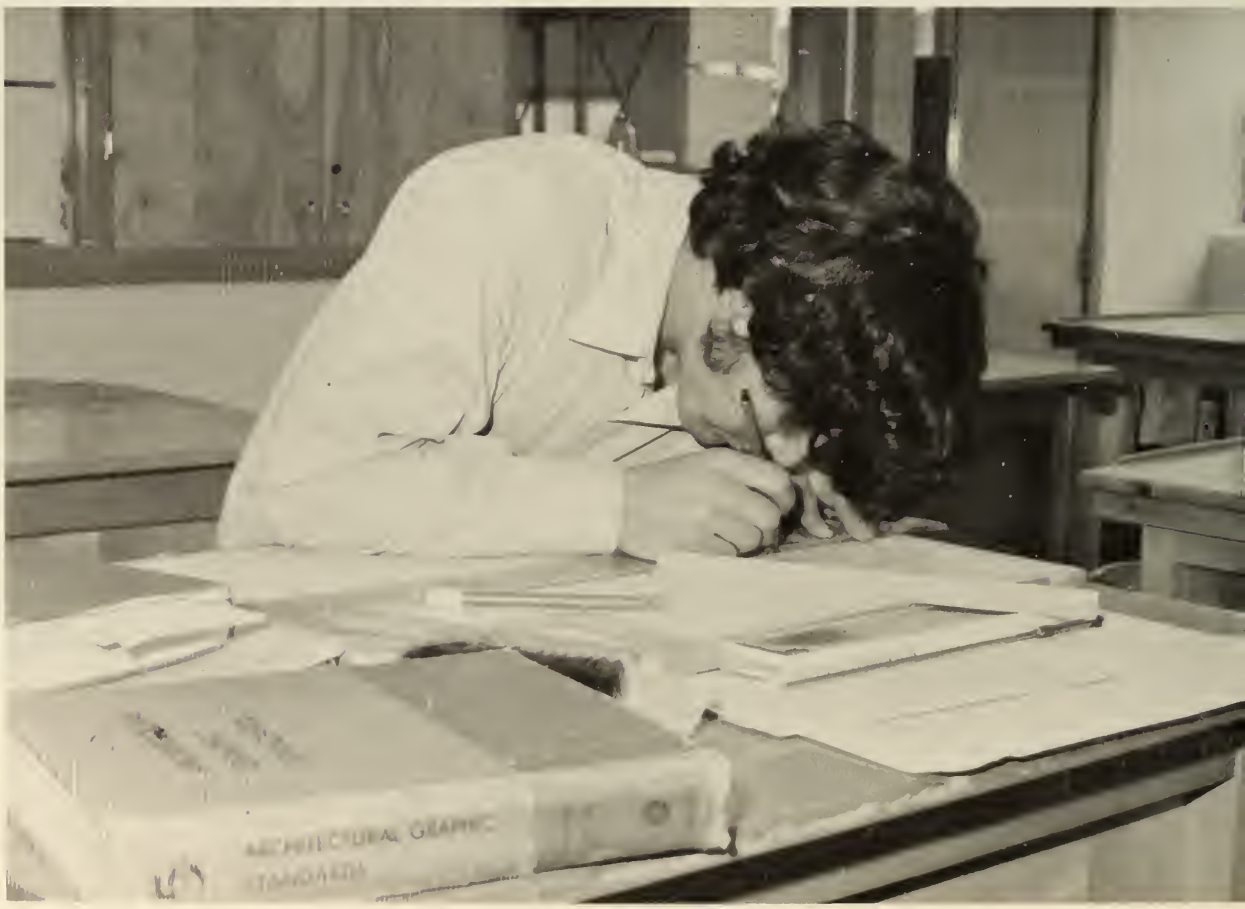
Through the looking glass . . .
We were always running from one world to another . . .



There was the challenging, and sometimes exhausting, world of homework, exams, and term papers . . .
the world of sports with its accompanying joys and sorrows . . .

We were all together in those worlds, but we each had our own private worlds, too . . .

Where we strove toward our own individual reality . . .



We are going through the looking glass once more with many memories of our days at Norwood High School.
